## **Installation Instructions for PALRING 175 Covers**

When you install *PALRING* covers, it is very important that the AF side is on the **INSIDE**. Please note the signing tapes of the covers.

### **PALRING 175 AFIR**

In the center of each section there are 2 **GREEN** stripes on the **INSIDE** and 2 **BLUE** stripes on the **OUTSIDE**.  
(Also, one in each side of section)

#### **OUTSIDE**

(In this picture, there are 3 strips but actually, there are 2 in the center and one in each side)
